I-75 in Rockcastle County to be reduced to one lane – each direction - for pavement maintenance, beginning Monday, May 14

Motorists asked to slow down, stay alert in work zones

SOMERSET, Ky. (May 9, 2012) – Traffic on Interstate 75 in Rockcastle County – both northbound and southbound - will be reduced to one lane, beginning Monday, May 14, as crews begin crack sealing.

The project area is from mile point 50.767 to mile point 73.408 - essentially the length of Rockcastle County. However, the lane reduction will be implemented in stages, not all at once along the entire project area.

The lane closure is expected to last two weeks. The starting date and duration of work may be adjusted for inclement weather or other unforeseeable delays. Drivers should expect delays and are encouraged to allow extra time in reaching their destination.

Dial 511 or log onto <http://511.ky.gov> for the latest in traffic and travel information in the Commonwealth of Kentucky. You can also get traffic information for the District 8 counties at www.facebook.com/KYTCDistrict8.
